November 6, 2018

This Addendum No. 2 consists of one (1) page, Proposers must acknowledge receipt of this Addendum No. 2 in their RFP submittal in *Required Form A, Form of Transmittal Letter*.

**Q:** If the MBE/ WBE firm participates in Phase 1, the assessment and design, would they be disqualified from bidding any future work related to the project? For example, if the MBE/WBE firm has both design and manufacturing capabilities, would be involved in Phase 1 disqualify them from bidding the fabrication and installation of the signage in future phases?

**A:** Since those M/WBE firms would be a part of the team developing the bid packages in Phase 1, they are precluded from bidding on future phases.
