

NOTICE OF SOLE SOURCE CONTRACT – MCCORMICK PLACE FOOD SERVICE

NOTICE POSTED:

JULY 31, 2020

WRITTEN REQUESTS FOR PUBLIC HEARING DUE:

AUGUST 17, 2020

The Metropolitan Pier & Exposition Authority (“MPEA”) currently holds a contract with SAVOR Chicago for food service at McCormick Place Convention Center, which expires June 30, 2021.

Due to the ongoing impacts of COVID-19, including restrictions on travel, large gatherings, cancellations of shows, and uncertainty regarding the timeline for re-opening, MPEA is deferring issuance of an RFP for food service at McCormick Place.

MPEA intends to enter into a 1-Year sole source agreement with its current contractor, SAVOR Chicago from July 1, 2021- June 30, 2022. Both SAVOR and MPEA have already reduced operating budgets and staff to reflect show cancellations and reduced revenue. The scope and fees will be negotiated to reflect the revised forecast for July 1, 2021 – June 30, 2022.

Interested parties may request a public hearing by sending a written request to mpeaprourement@mpea.com, please include the name of the person(s) wishing to provide testimony, the nature of the testimony, and the firm/organization/group that the person represents. Requests must be received by noon August 17, 2020.
