SECTION II. – BACKGROUND INFORMATION AND OBJECTIVES

BACKGROUND INFORMATION

The Metropolitan Pier and Exposition Authority, hereinafter referred to as the “Authority” or “MPEA”, is a political subdivision, unit of local government, body politic and municipal corporation existing under the laws of the State of Illinois pursuant to the Metropolitan Pier and Exposition Authority Act, as amended, 70 ILCS 210/1 *et seq.* (the “MPEA Act”). The Authority was established to promote, operate and maintain fairs, exhibitions, meetings and conventions in Cook County, Illinois.

The Authority is governed by a nine-member Board appointed by the Governor of Illinois and the Mayor of Chicago. Current Board Members are listed on the Authority’s website at http://www.mpea.com/mpea_board/board.html. The Chairman of the Board is selected by fellow Board members and a Chief Executive Officer, who is responsible for the day-to-day management of the Authority, is appointed by the Board.

The Authority owns McCormick Place®, an exhibition and convention center located at 23rd Street and Martin Luther King Drive in the City of Chicago, which is managed and operated by SMG, a private convention management company. McCormick Place® is North America’s largest convention facility. The McCormick Place convention center includes four buildings: the South, West, North buildings and the Lakeside Center. These buildings have a combined total of more than 2.6 million square feet of exhibit space, and over 600,000 square feet of meeting rooms, making it the nation’s largest convention center. McCormick Place® hosts approximately 125-150 events and attracts more than 2.5 million trade and public show visitors annually. McCormick Place® features the Arie Crown® Theater, a renovated proscenium arch theatre which seats approximately 4,200. The Authority has also opened two new facilities in 2017— a 1206 room Marriott Marquis Chicago hotel and the Wintrust Arena. Three additional buildings, the Energy Center, American Book Company Building, and the Corporate Center, are also part of the MPC.

The Authority also owns the Hyatt Regency McCormick Place, a recently renovated and expanded 1,258-room hotel and conference center located adjacent to McCormick Place. The Hyatt Corporation is responsible for the operation and management of this Hotel under a management agreement with the Authority.

In 2010, the Illinois General Assembly passed the MPEA Reform Act – 70 ILCS 210/5.4, as amended by Public Acts 096-0898 and 096-0899 (“Legislative Reforms”). The Legislative Reforms authorized a restructuring of the Authority, which resulted in a transformation of the way business is conducted at McCormick Place®. The Reforms further solidified McCormick Place’s competitive standing in the convention and trade-show industry and strengthened Chicago’s ability to attract corporate and association business.

Historic Navy Pier®, the Midwest’s #1 tourist and leisure destination that attracts more than 8.6 million visitors a year, is also owned by the MPEA but is now governed and managed by an independent not-for-profit organization known as Navy Pier, Inc. (“NPI”).
