Bidders' Question:	MPEA's Response:
Are we supplying glass and labor for escalators or are we supplying the glass for the escalator maintenance to install? And if we are installing the glass for the escalators, who coordinates with the escalator company for the installation?	Escalator glass is ordered and installed by Elevator company this is not included.
During the reglaze, if the frame is deemed unsuitable for the repair, whose responsibility is to cover cost for the material and repair?	Will address on as needed basis.
Also, does the determination of material to be repaired fall under us or McCormick?	MPEA
Per Local 63 union rules, overtime is designated as any work performed before 7 am or after 3:30 pm, regardless of hours worked that day. Will this be observed in spite of labors rates as described in O.T. section 1?	We abide by the collective bargaining agreement of the particular trade that is doing the work.
