Proposers' Question:	MPEA's Response:
<p>In the RFP document under Scope of Services section 3.1 Project site, there is a link to the 2024 Lakeside Glazing. We are unable to view the shared file due to it saying that the address is not associated with the secure link. Would your team be able to help us access that like to look at the Glazing document?</p> <p><u>Similar question(s):</u> We are looking through the documents on the project above and we are trying to access the 2024 Lakeside Glazing documents. Is there a way that you can grant me access?</p>	<p>See Item 2: Updated link to view drawings.</p>
