Bidders' Question:	MPEA's Response:
<p>We saw the Invitation For Bid for the McCormick Place Lakeside Center and we are interested in submitting a proposal. My only question is if you can send me the "2024 Lake side glazing" document you have linked in the IFB. I am unable to gain access to those AutoCAD drawings and having the dimensions and conditions of glass is necessary for submitting our proposal.</p> <p><u>Similar question(s):</u></p> <p>The link for plans in for RFP does not work (PG 36). It says we need a password or permission to get in. How do we get in. Can these be supplied as PDFS?</p> <p>Where can I locate the elevation drawings that are referenced in the IFB? I would like to review them prior to the site visit next week.</p>	<p>See Item #2: Updated link to view drawings.</p>
<p>There is a link in the IFB to register for the pre-bid meeting and site visit; however, the link does not work. Can you please send me the form or web address where I can register for said meeting?</p>	<p>See Item #3: Updated link to register for scheduled site visit.</p>
