3.18 TIE BIDS AND PROPOSALS

Tie bids or proposals are those from responsive and responsible vendors that are, in the case of bids, identical in price, and, in the case of proposals, identical in evaluation.

Tie bids or proposals will be resolved as follows:

- 1) The award shall be made by lot unless the Director of Procurement determines that:
 - a) Awarding to one of the vendors is in the Authority's best interest because, for example, that vendor is likely to be more reliable or responsive to the Authority's needs, based on past performance; provides a better quality of the supply or service; or provides quicker delivery; or, in the case of proposals, because of a desire to take advantage of the lower price; or
 - b) Splitting the award is in the Authority's best interest because of a need to ensure delivery of the supply or service, or is necessary or desirable to promote future competition, and provided the affected vendors agree to the split award.

3.19 PROTESTS

Any and all protests or challenges with respect to the selection of the Successful Bidder and this IFB, any of the procedures or requirements stated herein, or any other terms and conditions related to the transactions stated or contemplated herein must be asserted in writing to:
